NOTICE TO RESIDENTS

Re: Caton Farm Road Construction

Dear Residents,

On May 11, 2009 construction will begin on Caton Farm Road east of Weber Road. Roadwork will last approximately 5 months. During the construction that involves the widening and reconstruction of Caton Farm Road a detour will be in effect.

The detour will close Caton Farm Road to eastbound traffic east of Weber Road during construction while maintaining westbound traffic thru the areas impacted by construction. Eastbound traffic will use Division Street one mile north of Caton Farm Road as an alternate route.

Local access to homes and businesses will be maintained except for short periods of time when the access is directly impacted by construction activities.

If you have any questions or require additional information regarding this project, please feel free to contact Mr. Dave Vandervelde of Christopher B. Burke Engineering at (847) 417-0195.

Sincerely,

A handwritten signature in black ink that reads "John D. Tomaszski". The signature is written in a cursive style with a horizontal line above the name.

John D. Tomaszski
City Administrator
