Teen Connection Program Uniting Residents & Seniors with Local Teens

The City's *Teen Connection Program* provides residents with names of teens willing to do various tasks-such as yard mowing, pulling weeds, raking leaves, and snow shoveling. Teenagers are needed year-round, but especially during heavy snowfalls.

Crest Hill residents often request assistance during harsh winters for snow shoveling and for lawn care in the summer. By providing your contact information to the *Teen Connection Program* list, Crest Hill residents can be provided with a complete list of available teens in their area. The resident is responsible for contacting the *Teen Connection* teenager and for making financial/scheduling arrangements. The *Teen Connection* teenager is responsible for completing the task or notifying the resident if they are unable to complete the work.
